IT'S MY LIFE

P R E L U D E

Separate Ways
(Worlds Apart)

I'll
help
you.

Astra-
kun.

...I can't
draw
house
plans
well...

Mm...
I sup-
pose
it's
almost
time...

...Ky...

If it
were you
back then...
would you
have said
that to
me...?

I tripped
you and you're
apologizing? I'd expect
nothing less
from Gloody
Two Shoes-
man of the
area.

"Sorry"?

...Sorry.

!

...Ignoring
me, huh?

TK-

Go on,
feel free to
keep following
along the middle
of the path,
you young,
distinguished
man who has the
Commander's
favour.

Eh,
I'm guess I'm
sorry for being
an insensitive
comrade then,
Captain of the
1st Company-
sama.

Ah,
nevermind,
it would be
ridiculous for lowly
people like the
Captain of the 3rd
Company to call
himself a comrade
of yours,
wouldn't it?

If you
have the time
to envy someone,
it'd be nice if
you could put
that much into
your effort
too...

...I got this far
thanks to the
persistent effort
I had put in to seize
the happiness I desired.
I never used
any underhanded
means.

That is
what I've
learned
over these
ten years.

Even if
I said did, it
wouldn't have
gotten through
to a person who's
searching for
"reasons to
hate me for"
anyway.

I was
prepared
to confess
to him,
but I don't
dare to do so.

And that's fine.
That's the
shortest path
to the happiness
I desire.

I'll just
keep wearing
the mask of the
"Captain of the
1st Company."

How long did you plan on keeping someone after calling for them?

You're late.

I've got something important to tell you.

Yeah...

If you've got business, hurry and spit it out.

..Hmph. I just so happened to be free...

I'm on time. Aren't you the one who is too early?

important... to tell me?

I've already
given the word to
the Commander.
As long as
you're fine with it,
I want you to
take after
me.

Huh...?

"Retire"...?

After
I retire,
I want to
appoint you as
the Captain
of the 1st
Company.

Please
sign this
document.

Did you
have to go
out of your way
just to tell
your affairs
to your sub-
ordinates?

It's
been on
my mind
for a long
time now.

**WHY,
ALL
OF A
SUDDEN
...!?**

**...THEN
WHY
DIDN'T
YOU SAY
ANY-
THING!/?**

**Wait...
a sec...
You...**

I think I'll
ask Roserrot
to be the
Vice-Captain.
She possesses
knowledge of
magic as well.

You're
going to
"retire"?/
From the
Chivalric
Order!/?

Yeah.

...WHA-

Just to confirm, you consent to this, right?

That's an important document... I'll prepare you another one.

...Hey, the document's getting crumpled.

...What...

I'll count on you to take care of the 1st Company, New Captain Kyures.

It's not a bad thing, right? The guy you hate will be gone and you'll even be able to get promoted.

I'll take that as a yes.

...Do whatever you want...

"Ky."

"Ky-kun!"

New
Captain
Kyuss.

...I
hate...

you...

Along
came the
"Evil God"
suddenly
appeared
on the
Continent.

It
happened
a long
time ago...

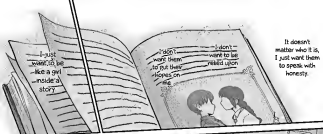

The evil god
made a
declaration
to every living
being residing
on the
Continent.

It doesn't matter who it is, I just want them to speak with honesty.

13

I will go
to where
Evil God-sama
likely is.

If I'm
just going
to be alone
as always...

Farewell...

I guess
I'm parting
with this town
where I've lived
for fifteen
years, huh...?

Now all
that's left
is to wait
until dawn.

...And
now I'm
done
packing

I'm also
done with
relinquishing
my position,
and as for the
document... Well,
it'll be fine.
